

MUSEUMS & GALLERIES EDUCATION

**DELIVERING
DIFFERENTLY**

Welcome back! As schools return, our services are looking at ways that we can still support and stimulate your learning in a different way.

Tameside Cultural Services have been looking at how we can use our years of experience, resources and collections to support schools on your return.

Our museums and galleries service is looking forward to getting back to what it does best; welcoming visitors to explore the museum and art collections. We have a long history of working creatively with our audiences. Our engaging, curriculum-focused learning programme uses our collections to stimulate and enthuse participation.

Our Learning Team has developed a programme which offer participants a wide range of activities that are accessible, educational, fun and inspiring. Whilst we are all working differently we have put together an offer that will continue to allow you to access what we do, but in a different way. **We want to use our experience to develop something that genuinely works and will help teachers and educators during what could be a difficult transition.**

"It has consolidated their learning in class and taught them some new things. It was great for them to experience the role play"

Please feel free to contact us with any queries or just to have a chat about how we can help over the coming months.

£160.00 half day
£320.00 full day

DIGITAL

COMING SOON

If you are investigating a topic in class and want some additional learning material, extension activities and lesson ideas look no further. We can supply curriculum linked content relating to our collections and sites.

Short films to watch

Take a look at how things used to be or learn some new creative tips by watching one of the short films we have available to schools.

Zooming into class

As if by magic, our artists and costumed facilitators can zoom directly into class.

COST:
Film: £35.00
Zoom: £70.00

LOAN BOXES

We want to ensure that pupils have the opportunity to get involved and hands on with the museum's collections in a way that will stimulate, engage and enrich their learning.

There are a variety of boxes to explore, from Working Life to boxes packed full of artefacts, objects, facts and information linked to the Second World War and Home Front.
