

Lesson Aim/Enquiry Question *To chart the development of Ashton Workhouse - Workhouse to Hospital	
Learning Objectives <i>To enable the pupils to:</i>	Lesson Outcomes
1 gain an introduction to the topic,	by coming to the realisation that Ashton Workhouse became Tameside Hospital, & that such buildings still hold a stigma for some.
2 see change over time,	by chronologically sorting building plans & photos.
3 compare the local with the national,	by comparing Ashton Workhouse with prescribed national models, & linking this back to the attitude of Ashtonians to the Poor Law Commission.
4 make a judgement about the suitability of Ashton Workhouse as a Hospital,	by producing a written response.
5 consolidate their learning,	by using the info gained today to explain why an elderly person might feel afraid of the Hospital building itself.
