

Ashton Streetscape (Albion Way) - Concept Plan

- Ashton Streetscape (Albion Way) Scheme Extent
- Proposed Bee Network Schemes
- Potential Bee Network Routes

NEW JUNCTION
Improved layout at the exit from the new Ashton Interchange to better cater for pedestrian movements and cycle crossings

TRAFFIC JUNCTION
Replacement of signalised traffic junction with uncontrolled junction with courtesy crossings and measures to reduce vehicle speed

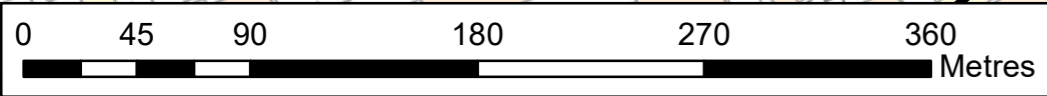

TRAFFIC JUNCTION
Replacement of signalised traffic junction with uncontrolled junction combined with measures to reduce vehicle speed

EXISTING JUNCTION
Potential to improve layout to ease cyclist crossings and movement

PUBLIC TRANSPORT
Better integration of walking and cycling routes towards and past the new Ashton Interchange

CYCLING FACILITY
Potential segregated cycle track(s) over full length of scheme

PLANTING AREAS
Opportunity to integrate planting as part of the streetscene along Wellington Road and Albion Way
