Ashton Primary Care Centre

A circular walk around Ashton taking in the canal and Portland Basin Museum. The walk is short and ideal for beginners. There are toilet facilities at the Primary Care Centre.

Beginners Walks: Ashton Primary Care Centre

- Turn right out of Ashton Primary Care Centre, then right again along Cavendish Street.
- Cross Cavendish Street at the pedestrian lights, go across the front of the LIDL supermarket and then cross both Oldham Road and Stamford Street near the large roundabout, using the pedestrian lights at Oldham Road and taking extra special care with the traffic at Stamford Street.
- Go down the ramp and through the subway to the centre of the large roundabout.
- Continue across the centre of the roundabout and go through the subway opposite, then turn left up the ramp to emerge on the right hand side of Cavendish Street.
- Continue down Cavendish Street past the Honda Car showrooms and Cavendish Mill, watching for traffic as you cross the side roads. Immediately after Cavendish Mill turn right and take the path down to the canal.
- Go along the canal as far as the steel foot bridge, then cross this footbridge taking care on the steps up and down.
- Continue up Portland Street and turn left onto Portland Place.
- Go across the front of Portland Basin Museum, then after the museum continue into Whittington Street.
- At the end of Whittington Street turn right into Margaret Street, watching for traffic as you cross side roads.
- At the end of Margaret Street turn left, then right to cross the main Ashton Town Centre By-Pass Road at the pedestrian lights.
- Use all three sets of lights to arrive on the far side of Stamford Street. Turn right here to go past the old Ashton Swimming Baths, opposite the baths at St Petersfield, fork left along the pedestrian way to return to Ashton Primary Care Centre.
