

TAMESIDE COUNCIL HOMES, SPACES, PLACES | CALL FOR SITES

Call for Sites Update

As part of the Scoping, a Call for Sites exercise was undertaken; providing an early opportunity for anyone to put forward land within the Borough they consider to have development potential to meet future needs, or land which they consider should be protected from development.

The Call for Sites Document can be viewed on the Council's website: www.tameside.gov.uk/homesspacesplaces.

In total, 39 sites were submitted through Call for Sites, these will be considered as the Plan is developed.

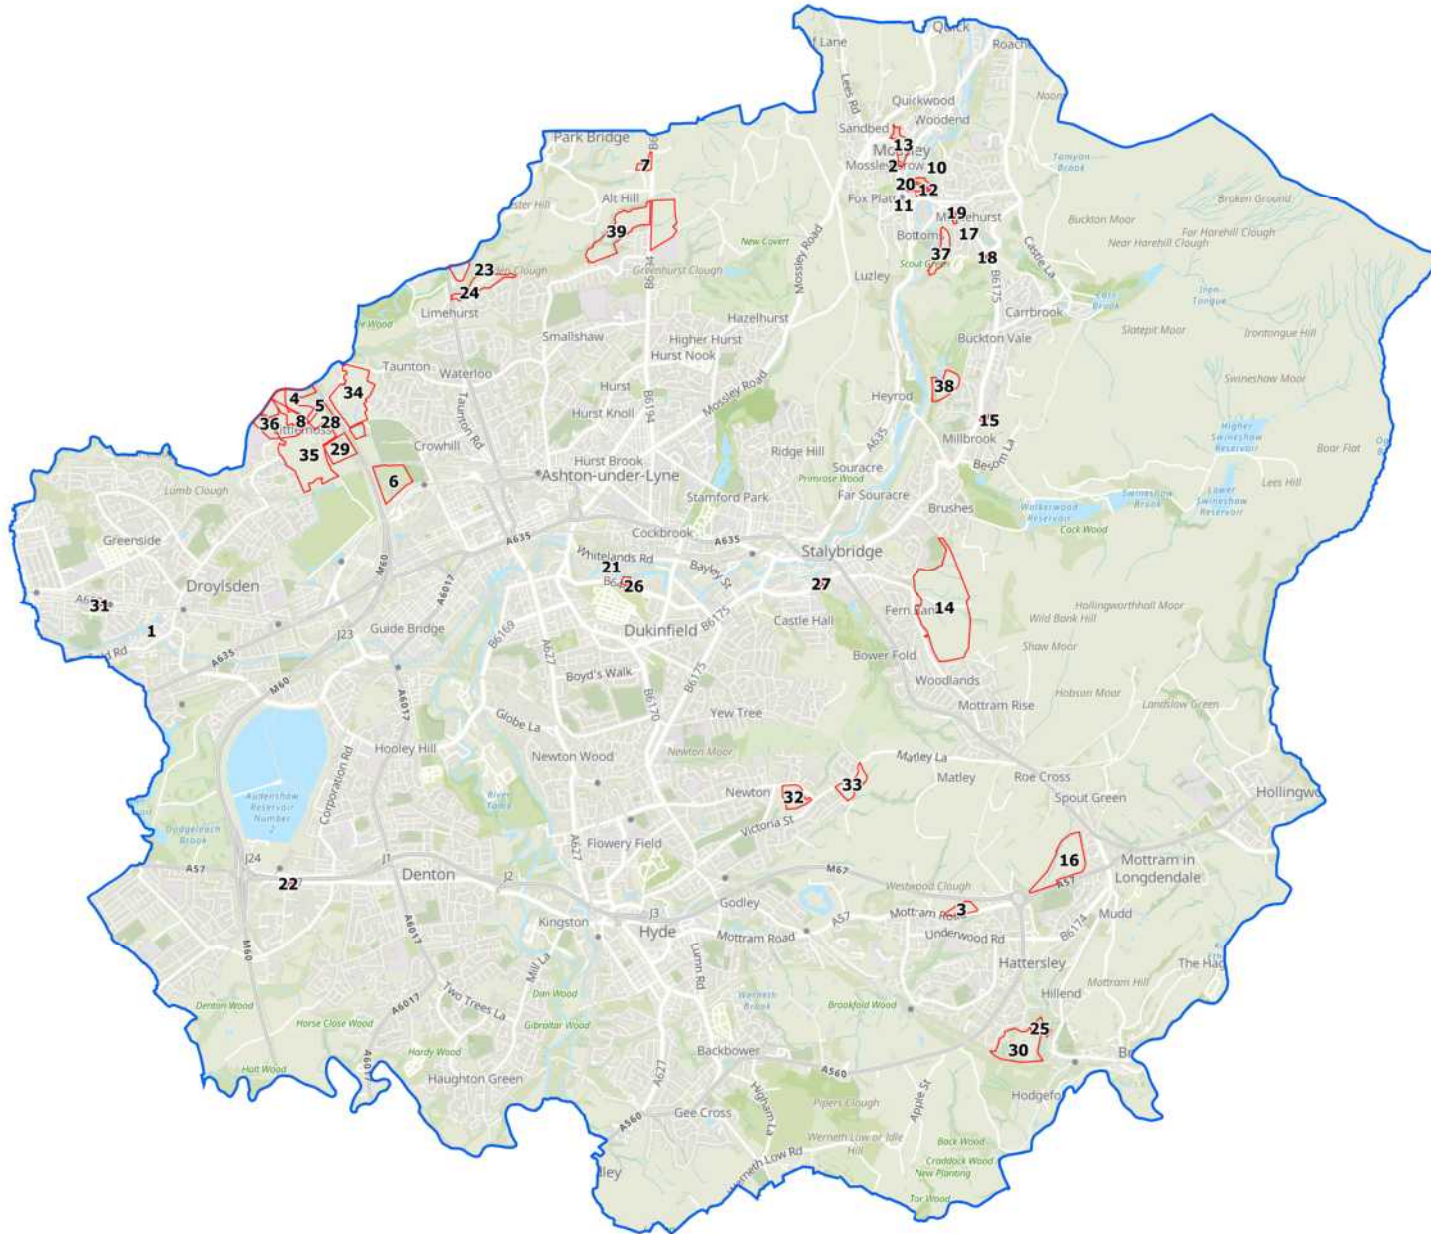

Please note: The sites that have been put forward in the Call for Sites will not automatically be allocated for that use. Submitting details of a site is not the same as submitting a planning application. All submissions are made on a without prejudice basis. The full list of sites submitted are show on the plan below.

An assessment of all sites and submitted information will be now carried out and further public consultation will invite comments on any proposed allocations for inclusion in Homes, Spaces, Places.

The next stage is for the Council to respond to the consultation through proposing options and policy approaches. It is intended that the next stage of consultation will take place in **Spring 2025**.
