My job

I'm an Educational Psychologist. You can call me Claudia when we meet.

I work with children like you to find out about:

- How they learn
- What they are good at
- What they might need help with

Children might need some help with:

- School work
- Friendships
- Getting around school
- Feelings/emotions

We work together to find ways to help them.

I sometimes visit children at home or at school.

What we might do

When I come to meet you, we will talk about what we might do together.

We might talk about what is important to you, what you like and don't like.

We might:

- Play games
- Do activities or tests
- Draw

I might talk to adults from your school who know you well and your parents or carers.

What happens if you don't want to work with me?

If you don't want to meet me or do any work, you don't have to. We will only do as much as you want to. After we have worked together, we can talk about what you thought of working with me.

If you have any questions you can ask me or a member of staff in school.
You can contact me at claudia.hammondprice@tameside.gov.uk or on 0161 342 2218.
