EHE Newsletter October 2021

Welcome all to our second EHE Newsletter.

Thank you for all your lovely comments on the first newsletter, we welcome all feedback and if you have any suggestions on topics or areas you feel should be included, please contact ehe@tameside.gov.uk

Last year EHE numbers increased nationally, this was the same in Tameside but numbers are now declining as pupils return to school in September.

We are now carrying out face to face visits for the majority of families. It has been lovely to re-connect with you all again. The EHE Team will contact you as normal to arrange a visit. As always, if you need any support or advice in between your visits, please contact ehe@tameside.gov.uk or your allocated Officer.
