General money support

Your personal advisor and social worker will help you with money. This includes:

- Opening a bank account.
- Paying for your ID Documents, including your first adult passport [**who this applies to:** former relevant, eligible and relevant young people**].**
- Getting a living allowance of up to £75.65 per week **[who this applies to:** eligible relevant young people and those unable to access DWP payments**].**
- £100 clothing allowance in summer and winter if you are living semi-independently (if you move from residential or foster care the first shop will be from 6 months after you move) **[who this applies to:** eligible and relevant young people**].**
- You will receive a clothing allowance to help you buy clothes. This can be paid to you weekly, monthly or every three months. The money can be paid directly to you, or your social worker, personal advisor or Support Worker can help you buy clothes if you would like support. How your clothing allowance is paid and used will be agreed with you and written in your Pathway Plan. This will be based on what support you need and reviewed regularly.
- How to spend your Setting Up Home Allowance **[who this applies to:** eligible, relevant and former relevant young people**].**
