Statement of Reasons

Concerns have been raised regarding parking at the opening and closing times of Dowson Primary School, Hyde. Currently vehicles are stopping within the cul-de-sac end of York Road outside the school entrance obstructing other vehicles from being able to use the turning head safely, obstructing access / egress to residents' driveways and hindering pedestrian movements within the area of the cul-de-sac end. Although there are currently double yellow lines present, the imposition of "No Stopping" should encourage greater compliance and keeping that area free of vehicles stopping within that area during the day.

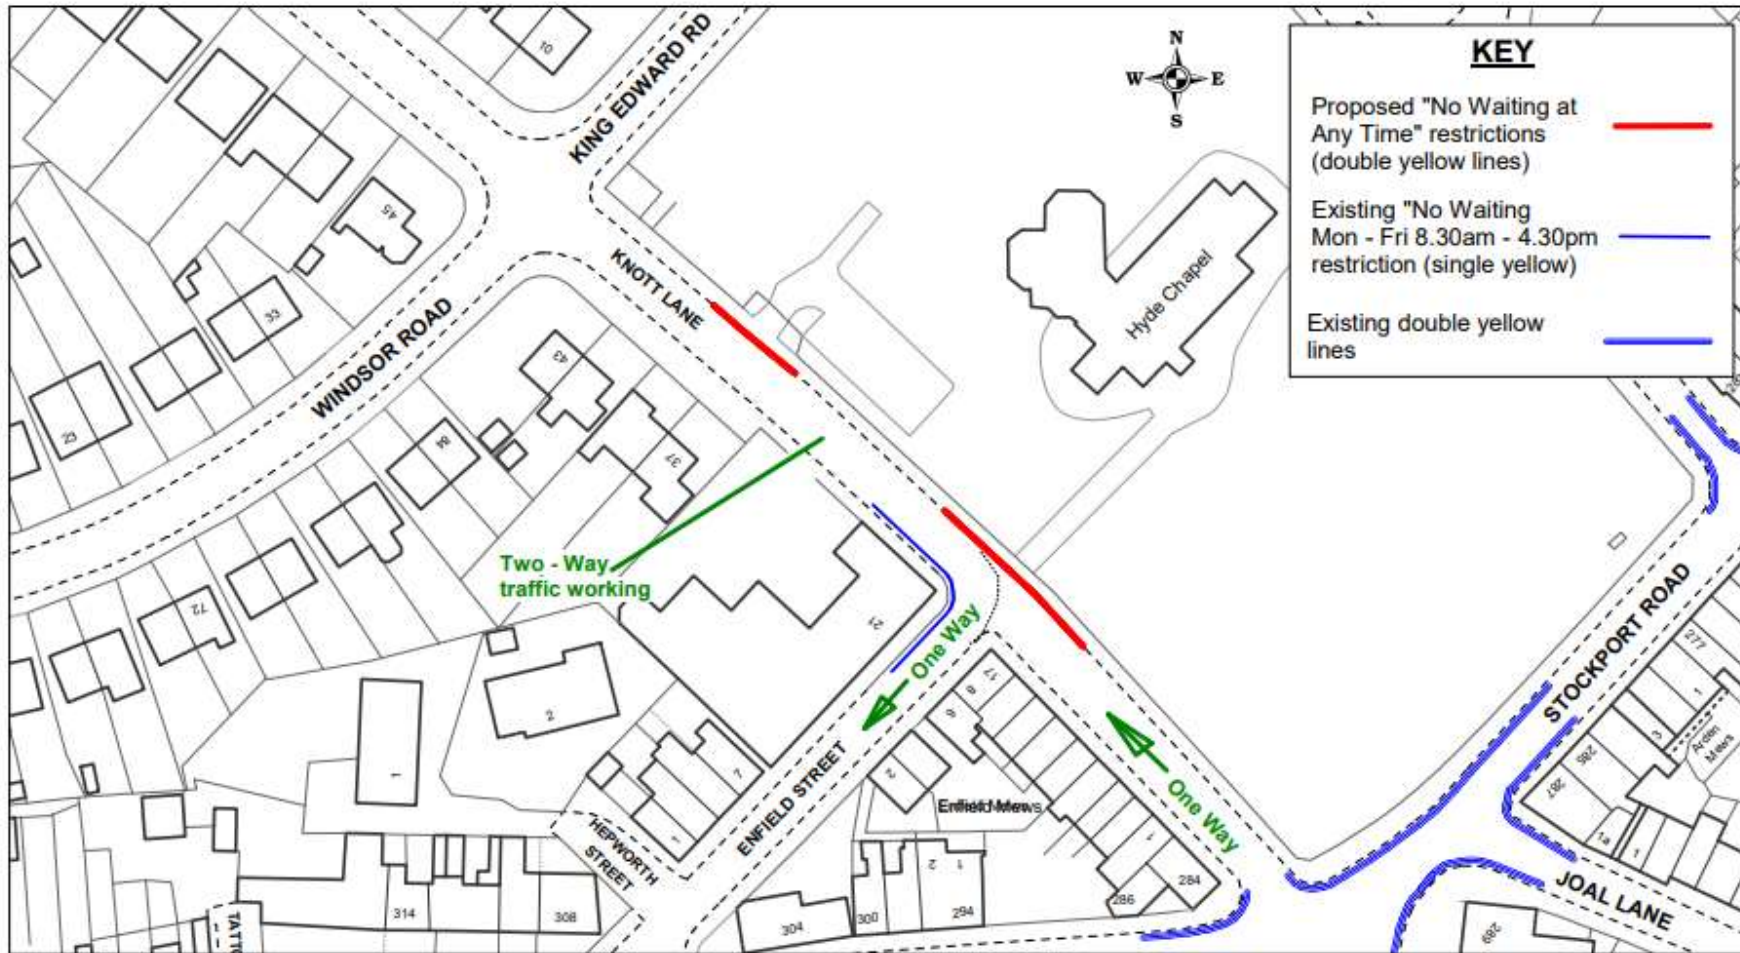

The proposed waiting restrictions will improve visibility for pedestrians and vehicular traffic, reduce congestion and enhance personal safety around various junctions within the vicinity of the school and also improve access / egress to Hyde Chaples Car Park and enable funeral and wedding cartages access to the gated pedestrian route to the Chapel that is sited on Knott Lane opposite Enfield Street.
