

TAMESIDE GREENSPACE Volunteering

**Do you want to get outside, learn new skills
and take part in practical conservation
tasks that improve your local Greenspace?**

Conservation days are held throughout the year on a range of sites starting at 10:30AM and finishing by 3PM.

Tasks could include hedge-laying, fencing repairs, gardening, pond clearance, litter-picking, tree planting, way-marking and lots more!

All events are free and open to everyone over 11 years. (each 11-18 year old must be supervised by a responsible adult). No experience is necessary and we will provide you with any tools and equipment you need plus instruction on how to use them.

Please book on for any days you are attending so we can plan for the day and let you know if anything changes.
